

Capabilities Statement

Independent Strategic Management Solutions, Inc is a management and technical consulting company serving government clients in the nuclear, environmental, national security, and defense sectors.

ISMSolutions specializes in providing project support within engineering and scientific disciplines to assist our clients in delivering sustainable results safely and consistently.

As an 8(a) SBA Certified, Economically Disadvantaged Women-Owned Small Business (EDWOSB) and Small Disadvantaged Business (SDB), ISMSolutions is committed to providing cost-effective solutions.

Core Competencies

- **Engineering & Nuclear Operations:** design/process reviews; startup testing, commissioning, readiness reviews; operations, modifications, repairs, and maintenance; systems engineering & integration; I&C; conduct of operations; configuration management; research, development & testing
- **Nuclear Safety & Licensing:** nuclear regulations, licensing & standards; safety basis development, review & implementation; hazards/accident analysis; criticality safety; fire protection; nuclear material packaging & transportation
- **Program / Project Management:** technical readiness assessments; independent project reviews; preparing critical decisions, project execution plans, risk management plans; project planning, budget, estimating, and scheduling; project controls
- **Safety, Health & Quality Assurance:** occupational safety; emergency preparedness, fire protection, quality assurance, commercial-grade dedication; root cause analysis; accident/event investigation; vendor procurement inspections; industrial hygiene; radiological protection
- **Environmental & Regulatory Compliance:** regulatory compliance; environmental protection, monitoring, surveillance, and oversight; permitting programs; interaction with federal, state, and local government and regulatory agencies

Company Information

UEI Number: HNDBN7BS9UE3

CAGE Code: 6SRM5

GSA Contract: #47QRAA21D0087

NAICS Codes:

541690 - Scientific & Technical Consulting Services
541330 - Engineering Services
541620 - Environmental Services
541990 - All Other Professional, Scientific & Technical Services
541611 - Administrative & General Management Consulting Services
541618 - Other Management Consulting Services
561210 - Facilities Support Services
562910 - Remediation Services
611430 - Professional and Management Development Training
336611 - Ship Building and Repairing
